

**LAKE CUMBERLAND AREA DEVELOPMENT DISTRICT
BROWNFIELDS PROGRAM
CONSENT FOR ACCESS TO PROPERTY**

Phase II Environmental Site Assessment

NAME OF PROPERTY OWNER(s): _____

PROPERTY ADDRESS _____

I do hereby affirm that I am the legal owner of the property referenced above or an individual having the authority or the written authorization of the property owner to sign this access agreement, which authorization is attached hereto. This permission is granted for a time period of one year from the date of signature found below, and authorizes officers, employees, authorized representatives of the Lake Cumberland Area Development District, its contractors, subcontractors and consultants and the Kentucky Department for Environmental Protection (KDEP) and the United States Environmental Protection Agency (USEPA) to enter the property and for continued access and use of, by, through, and on the property for purposes including the following:

1. The taking of samples, (surface and subsurface), including but not limited to soil, sediments, water, and air, and other solids or liquids stored or disposed of at the property as may be determined to be necessary;
2. The documenting of scientific and engineering observations, including, but not limited to taking notes, recordings, photographs and surveying;
3. The drilling and finishing of boreholes for the purposes of collecting soil and groundwater samples without limitation;
4. The removal of underground storage tanks, (USTs) and piping that may contain petroleum-based fuels, wastes or hydraulic oils;
5. To store, and remove investigative derived waste; and
6. To use the property for temporary storage of such equipment, including vehicles, excavation equipment, and drill rigs, as is necessary to perform anticipated activities.

The granting of this permission by the undersigned is not intended, nor should it be construed, as an admission of liability on the part of the undersigned or the undersigned's successors and assigns for any possible groundwater, sediment, air or soil contamination detected in the samples.

Consent for access as described herein granted this _____ day of _____, 20____.
